

Edward W. Cooch, Jr. Environmental Scholarship 2019 Scholarship Guidelines

History

The Edward W. Cooch, Jr. Environmental Scholarship fund has been established to honor the late Edward W. Cooch, Jr. (1920-2010). “Ned” as many of us knew him, was an avid environmentalist with a deep passion for the natural lands and water resources of the State of Delaware. In 1982 Ned was one of the founders of the Christina Conservancy which promotes the preservation and restoration of the natural and historic resources of the Christina River Watershed. Ned was one of the driving forces and an inspiration for the Christina River Watershed Cleanup, which was started in 1992, and has removed hundreds of tons of trash from the watershed. Ned was an active member of the Delaware community and demonstrated a deep commitment to the natural environment.

Award

This \$1,500 scholarship will be awarded to one student, selected by the scholarship committee, who demonstrates the ideals that Ned Cooch carried out in his daily life.

Eligibility

1. Must be applying to a properly accredited community college, college, or university for the fall semester 2019;
2. Must be a Delaware resident;
3. Must be a senior in a Delaware high school or veteran of the U.S. armed services;
4. Must have a grade point average of 3.0 or greater;
5. Must major in an environmental field of study;
6. Must demonstrate a strong interest in water resources and the environment (example: participate in river cleanups, engage in school Eco-club projects, elect to take environmental classes, etc.).

Selection Criteria

The recipient should possess a passionate interest in preserving, restoring and conserving water resources and the natural environment. This will be clearly communicated through described academic and career goals.

Deadline

All applications and supporting materials must be received by the Christina Conservancy Scholarship Committee at either the email address or mailing address listed below ***no later than Monday, April 15, 2019***. Word and/or PDF files sent by email will be accepted by the due date.
